

Parents Guide

This December to celebrate Christmas, we are telling four stories about the birth of Jesus! Christmas isn't just a story we tell, but a life-changing reality for all of us today – it's going to a month of celebration, all about our King Jesus! We want to highlight how the same Jesus that was born in the manger is the one we read about as an adult doing miracles and who is on our hearts today. That these aren't just made up stories but truth – they actually happened!
