

Parents Guide

Background: Term One at Adventure Kids is designed to empower them to go and make a difference in the lives of others, impacting and changing the world around them with the reality of Jesus. Throughout this series we are teaching how we aren't just called to be friends who welcome, but friends who love others with the intention of showing them God's love and sharing with them, the good news of Jesus.

This series draws on key examples from the Bible of evangelism, but also from New Zealand history – looking at the lives of people who changed the world with the reality of Jesus. Our goal is that through these testimonies – our kids will feel empowered to make a difference.

Series Big Idea: We all can GO into the world, and make an impact for Jesus!
