

God, Money & Me

Series Overview: Within our wider series focus on 'God, Money and Me', our pre-schoolers are focusing on two main ideas, 'Everything is God's' and 'Generosity', showing them how they can be good stewards of what they have, using what they have to be generous with others.

Although many of our kids don't have money yet and the currency they operate in is toys, time or friendships, we believe that by teaching them that what they have is God's and that they are things they can be generous with, it helps to set them up to live a 'God First' life and to start them on a pathway to financial understanding and a future of financial freedom.

Memory Verse: Psalm 24:1. Click [here](#) to watch a video from our team!
