

# Let's Be Friends!

**Background:** In this fun series 'Let's Be Friends!' we want our pre-schoolers to know from a young age, that they can be people who love, include and are kind to others. We aim to use the phrase 'Let's be Friends!' as not just a series name, but as a statement we hope to see our Cubby House children pick up, as they learn to include, encourage and share with each other – having the revelation that they can make a difference in the lives of others with their words, actions and friendship.
