

The Prince and the Secret Garden

Series Overview: This Base Camp series is part of Ps Paul de Jong's "God Money & Me" series, designed to get children started on a Biblical understanding of finances. Our prayer is that your children will embrace God's word as truth in all areas of their lives, including their finances. Through teaching, group studies and crafts, we hope that this series encourages your children to gain a personal revelation of God's plan for this important and crucial area of their lives.
