

# Why Worship?

**Background:** This Base Camp series helps our kids understand why we worship, both in our weekly services and as part of our rhythm as followers of Jesus. Through these stories, we see moments where people chose to praise and honour God even when it wasn't easy, showing the power of placing Him as Lord over their lives.

Our hope is that these stories help set our kids up for a lifelong pattern of praising and honouring Jesus in every season of life.

This big idea for our series highlights three important truths about worship: it is a choice we make, it recognises God as the Lord of our lives, and it reminds us that our praise doesn't depend on our circumstances.
